

about us

We are a small holiday cottage business based in Pickering. Our cottages are a mixture of those we own and operate ourselves and others that we act as an agency. The common link is that all the cottages have an emphasis on quality, service and a real home from home feel.

Pickering is a small market town and the perfect location for exploring the Moors, coast and the many historic properties in the area. Fantastic for walkers, cyclists and outdoor pursuit enthusiasts as well as, steam train enthusiasts, and bird watchers.

Our main site in Pickering

The cottages are quality assessed annually so you can be assured of consistently high standards. The cottages are all very individual, many are character grade II listed properties. Almost all have en suite facilities, ideal for couples and most have log fires perfect for winter breaks. Many cottages welcome pets and several are all on one level for those with reduced mobility. The cottages individually sleep 2-13.
